

Job Description –

We are seeking experienced Commercial Lines Producers to join our sales team. The individual will market new business and renewals, as well as build relationships with carrier contacts. We offer competitive compensation package, benefit package, and excellent lead generation.

Job Requirements –

- Valid Property and Casualty License
- Experience working specifically with commercial policies
- Strong technical skills – Microsoft excel, word, outlook
- Experience with agency management systems, preferably Applied
- Excellent verbal and written communication skills
- High degree of integrity demonstrated working with clients, carriers and team
- Strong problem solving and negotiating skills.

Filice P&C Insurance Services is a rapidly growing insurance brokerage firm with extensive markets. We have developed a strong lead generation system to maintain a constant flow of new business.
